

Building better futures
for children with disabilities

ECI Professional

Grade 1 or 2

- Hoppers Crossing
- Two Positions - full time/part time options (parental leave)
- Flexible, family friendly work conditions and generous salary packaging options

Noah's Ark is an innovative not-for-profit community organisation providing early childhood intervention support services to children (aged 0-8), with disabilities and other additional needs.

We currently have opportunities for enthusiastic, experienced and motivated Early Childhood Intervention (ECI) Professionals to work as part of a transdisciplinary team. This is a fantastic opportunity for someone who is passionate about making a difference in the lives of children within the community and enjoys working within a dynamic and friendly team.

The position is responsible for delivering high quality, accountable, early childhood intervention services to families.

Suitable candidates will require:

- A relevant tertiary qualification in allied health (speech therapy, occupational therapy, psychology or social work or early childhood teaching).
- Current early childhood development theory and practice, including cross cultural perspectives and the philosophy of inclusion and associated practice.
- Knowledge and experience in typical and atypical early childhood development and practical strategies to facilitate child development.
- Capacity-building approaches that utilise collaboration, reflective and strengths-based practice.
- Strong interpersonal and communication skills with ability to develop relationships and work with people from various backgrounds.
- Experience working in a transdisciplinary team and experience working with children with additional needs would be highly regarded.

These positions are Grade 1 or Grade 2, depending on experience. Salary will be commensurate with skills and experience, plus superannuation. Attractive salary packaging options are available. We offer above award conditions, a supportive leadership team, flexible work environment and professional development opportunities.
